CV - Role Play

I have extensive experience as a Role Player in the areas of **Legal, Medical, Primary Health Care, Local Authority and Fire Services** covering **history taking, fairness at work, sexual discrimination & harassment, bullying & unfair dismissal, communication & ethics, breaking bad news, active listening, building empathy, etc.**

Specifically, I have been employed as a Role Player, both face-to-face and via zoom, at the following:

Medical (Simulated patient)

RACGP Clinical Competency
Melbourne Medical School (University of Melbourne)
Monash University
Royal London Hospital
St Bartholomew's Hospital
General Medical Council (overseas practitioners registration)

Legal

College of Law, Store Street, London: including LLB and BVC courses. Including Wills and Probate, Partnership & Shareholder Disputes, Commercial Enquiries and General Interviewing technique.

Primary Health Care

Norfolk Hospitals

Local Authority

Various UK Library Services

Fire Services

South Wales FS, Norfolk FS, West Midlands FS

I worked for many years with CCI Ltd., a major facilitator of scenario-based work-related interactive workshops.
